WORKIN
COLORS

Workincolors è la speciale raccolta di look professionali ideata da Payper per esprimere un vero e proprio invito a svolgere il proprio mestiere con piacere e passione.

“*Il piacere nel lavoro aggiunge perfezione al compito che svolgiamo.*”
Aristotele

Un’**incitazione a lavorare a colori**, a mettersi all’opera con gioia e soddisfazione, anche **grazie ai capi proposti**, performanti, sicuri, confortevoli e stilosi, **da indossare con orgoglio, creando i migliori abbinamenti per un outfit coordinato e ideale da ogni punto di vista**, sia pratico e funzionale che estetico e cromatico. Nella scelta degli abiti da lavoro, **i colori** hanno infatti un ruolo importante: **trasmettono valori e sensazioni**, rispondono alle esigenze di particolari professioni e **diventano elementi rappresentativi di un’impresa**. E per ogni azienda, piccola o grande che sia, l’identità, la riconoscibilità e il senso d’appartenenza sono aspetti sempre più importanti e strategici. Con questa consapevolezza, nasce **Workincolors**: non un classico catalogo, ma **un album originale** che raccoglie diversi outfit professionali selezionati da Payper proprio giocando sui colori, le loro valenze e combinazioni, **per ispirare e agevolare la composizione della divisa da lavoro più adatta ad ogni contesto**.

LA RACCOLTA WORKINCOLORS SI DIVIDE IN 8 SEZIONI:

» 01 PURITY - per esprimersi con chiarezza	04	05 EFFICIENTY - per chi punta ad alti standard	184	»
» 02 HARMONY - per chi predilige l’equilibrio	48	06 PASSION - per i più dinamici e manuali	226	»
» 03 PRACTICALITY - per chi cerca funzionalità	96	07 RATIONALITY - per chi ama la neutralità	270	»
» 04 ENERGY - per quelli dalle soluzioni brillanti	142	08 VISIBILITY - per essere ben in vista	314	»

In ogni sezione, una serie di scatti fotografici presenta **diversi look indossati**, sia in un contesto neutro sia in una situazione ambientata: emerge così tutto il valore aggiunto delle combinazioni funzionali proposte, che assicurano la protezione adeguata in ogni ambito, insieme ad alti livelli di comfort e a uno stile sempre distinguibile. Le rassegne fotografiche dei look si concludono con **una gallery tecnica**, che riporta le informazioni utili relative sia agli articoli che compaiono indossati sia ad altri capi adatti a creare outfit simili alternativi. **Workincolors** si configura così come **uno strumento ideale a supporto dei rivenditori**, che possono proporre ai propri clienti la migliore divisa con velocità, gusto e coerenza. Le combinazioni delle collezioni Workincolors possono inoltre essere ricomposte e personalizzate con facilità sul sito www.payperwear.com **grazie al “Selettore look”**, per avere anche i relativi **preventivi a portata di click**. Buona visione e buon lavoro!

Workincolors is the special collection of professional looks created by Payper which invites you to carry out your job with pleasure and passion.

“*Pleasure in the job puts perfection in the work.*”
Aristotle

An **incitement to work with colours**, to get down to work with joy and satisfaction, thanks also to **the items we offer**, high-performance, safe, comfortable and stylish, **to be worn with pride, creating the best matches for a coordinated outfit, ideal from every point of view**, whether practical and functional, or aesthetical and chromatic. Indeed, when choosing work clothes, **colours** are very important: **they convey values and feelings**, respond to the needs of particular professions and **become the representative elements of a company**. And for every company, whether large or small, its identity, distinctiveness and the sense of belonging are increasingly important and strategic aspects. Aware of this, we have created **Workincolors**: not a classic catalogue, but an **original album** which collects several professional outfits chosen by Payper precisely for the play on their colours, significance and combinations, **to inspire and simplify putting together the work outfit most suited to each context**.

THE WORKINCOLORS COLLECTION IS DIVIDED INTO 8 SECTIONS.

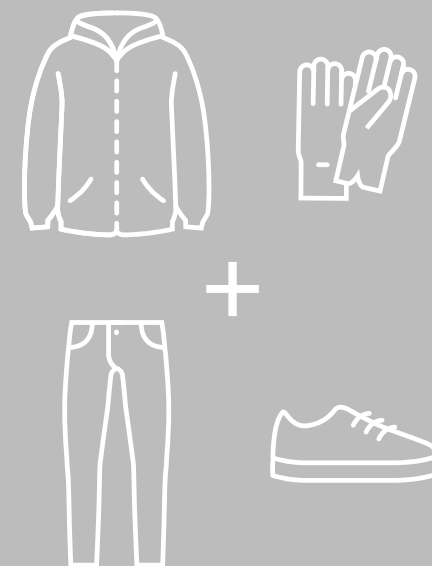

» 01 PURITY - for those wishing to make a clear statement	04	05 EFFICIENTY - for those who aim for high standards	184	»
» 02 HARMONY - for those who choose balance	48	06 PASSION - for those who are dynamic and practical	226	»
» 03 PRACTICALITY - for those looking for functionality	96	07 RATIONALITY - for those who love neutrality	270	»
» 04 ENERGY - for those with brilliant solutions	142	08 VISIBILITY - for those who wish to be seen	314	»

Every section collects a series of photos with **various modelled looks**, both with a neutral context and on location: this highlights all the added value of the functional combinations suggested, which ensure appropriate protection in every setting, together with a high level of comfort and a clearly distinguishable style. The picture galleries of the looks are concluded by **a technical gallery** which reports the information concerning both the articles modelled and other items of clothing suitable for creating alternative similar outfits. **Workincolors** therefore represents **an ideal tool to support sellers**, who can suggest the best uniform to their clients, quickly, stylishly and consistently. The Workincolors collection combinations can also be easily matched and customised on the website www.payperwear.com **thanks to the “Look selector”**, which also provides the relative **quotes with just a click**. Enjoy it and good luck with your work!

WORKIN
COLORS

01 PURITY

Positivo e luminoso, il **bianco** è sotto i riflettori di questa collezione Workincolors. **Combinazione di tutti i colori** dello spettro visibile, ben **si addice a chi fa del colore il proprio mestiere**: gli imbianchini. Al tempo stesso, **simbolo di purezza**, è ideale per chi lavora in settori in cui **pulizia, igiene e salubrità** sono fondamentali. Per la sua **neutralità**, inoltre, un capo di abbigliamento bianco **non manca mai** nel guardaroba, anche per il **tempo libero**, ed è un'ottima scelta per creare **divise da personalizzare**.

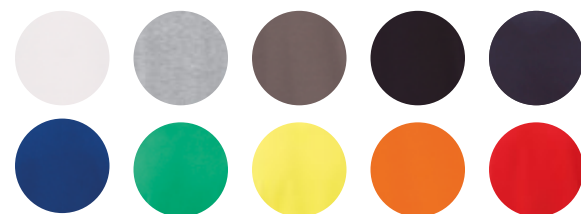

Upbeat and bright, **white** comes under the spotlight of this Workincolors collection. **The combination of all the colours** of the visible spectrum, it **is well suited to those whose line of work is colour**: house painters. At the same time, it is a **symbol of purity** and ideal for those who work in areas where **cleanliness, hygiene and healthiness** are fundamental. Moreover, thanks to its **neutrality**, a white clothing item **is always present** in our wardrobe, including for **leisure**, and it is an excellent choice for creating **customisable uniforms**.

WORKIN
COLORS

02 HARMONY

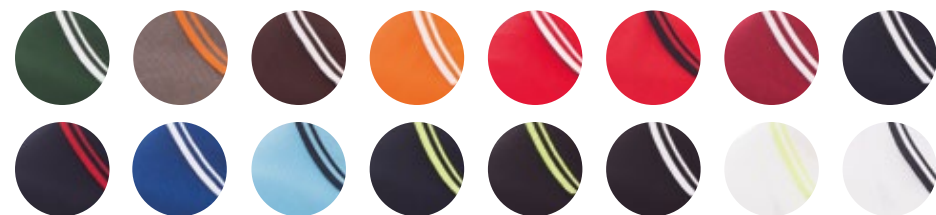

Protagonista di questa collezione Workincolors è il **verde**, tonalità ideale per chi svolge **mestieri a contatto con la natura** ma anche per **lavorare senza stress** e sentirsi di buon umore, indossando il **colore dell'equilibrio e dell'armonia**. Per questo, in questa selezione trovate sia **articoli tecnici**, anche di alta visibilità, pensati in particolare per gli operatori del verde, sia **capi casual**, adatti a diverse occasioni.

The star of this Workincolors collection is **green**, the ideal shade for those who **work in contact with nature**, but also for **working without stress** and in order to feel in a good mood, by wearing **the colour of balance and harmony**. This is why you will find both **technical items**, including high-visibility ones, particularly suitable for green operators, and **casual items**, suitable for various occasions, in this selection.

WORKIN COLORS

03 PRACTICALITY

Questa collezione Workincolors, ideata pensando a chi si dedica all'**arte del legno**, ruota intorno alle **sfumature di questo materiale**, alle diverse tonalità che caratterizzano le varie essenze e venature. **Dalle gradazioni del beige a quelle del grigio smoke**, i capi selezionati in questa raccolta presentano cromie neutre e versatili che ben si addicono a **professioni come falegname, parchettista, carpentiere** ma anche a tanti altri ambiti lavorativi.

This Workincolors collection has been created thinking of those who deal with the **art of wood**; it revolves around the **nuances of this material** and the different shades which distinguish the various types of wood and grains. **From shades of beige to those of grey smoke**, the garments chosen for this collection have neutral and versatile tones which are well suited to **professions such as woodworkers, parquetry layers, carpenters** but also to many other working environments.

04 ENERGY

Il **blu elettrico**, chiamato anche royal blue o power blue, è la brillante tonalità al centro di questa collezione Workincolors. È una tinta che **esprime energia ed affidabilità** insieme e che ben si presta perciò a rappresentare in particolare il mondo dei **tecnici installatori**, ma anche a dare un tocco di **vivacità ai più svariati contesti** professionali. La raccolta comprende inoltre proposte di abbinamento in grigio melange e blue navy.

Electric blue, also known as royal blue or power blue, is the brilliant shade on which this Workincolors collection focuses. It is a colour which **conveys energy and reliability** at the same time and which is therefore well suited to represent in particular the world of **technical installers**, but also to provide a touch of **liveliness to very different professional fields**. The collection also includes suggestions for combinations with melange grey and navy blue.

WORKIN COLORS

05 EFFICIENTY

Questa collezione Workincolors spazia nell'**orizzonte del blu**, nelle sue **gradazioni più scure**, come il **blu navy**, uno dei principali colori associati alla **professionalità**. Per questo è utilizzato anche come colore corporate da molte aziende. Esprime infatti **credibilità**, **serietà** ed **efficienza**, concetti chiave in **tutti gli ambiti lavorativi** ma **in particolare in quelli della produzione industriale e della logistica**. Proprio pensando a chi opera in questi settori, la raccolta include anche indispensabili **gilet di alta visibilità**.

This Workincolors collection ranges in **the blue horizon**, with its **darker shades**, like **navy blue**, one of the leading colours associated with **professionalism**. This is why it is also used by many companies as the corporate colour. In fact, it conveys **credibility**, **reliability** and **efficiency**, key concepts in **all working environments** but **particularly in the industrial production and logistics ones**. Precisely with these operators in mind, the collection also includes indispensable **high-visibility vests**.

WORKIN
COLORS

06 PASSION

Azione, potenza, dinamicità, passione e attenzione: sono questi alcuni dei principali valori legati al **rosso**, in primo piano in questa collezione Workincolors. Una collezione pensata innanzitutto, proprio ispirandosi ai significati di questo colore, per dare **una marcia in più all'abbigliamento di chi lavora con i motori**, suggerendo anche abbinamenti stilosi con il nero e il grigio scuro. Trasmettendo **sensazioni positive** e stimolando la **voglia di fare**, il rosso è una tonalità indicata comunque per tutti coloro che svolgono **attività pratiche e manuali**.

Action, power, vitality, passion and attention: these are some of the main values linked to **red**, at the forefront of this Workincolors collection. A collection created first of all precisely inspired by the meanings of this colour, to provide **an extra spin to those who work with engines**, suggesting stylish combinations with black and dark grey too. By conveying **positive feelings** and by stimulating **the will to do**, red is in any case suitable for all those who carry out **practical and manual activities**.

WORKIN
COLORS

07 RATIONALITY

Tra il bianco e il nero, il **grigio** è considerato il colore della **perfetta neutralità**, per questo è associato a significati come **oggettività, equilibrio, razionalità**. È un colore **moderno**, molto legato al **design**, che richiama il **mondo industriale e quello dei metalli** e in particolare, nelle sue tonalità più scure, del **ferro**. E proprio ai professionisti che lavorano questo tipo di materiali, come i **fabbri**, è dedicata in primis questa collezione Workincolors, che comprende anche **guanti e accessori di specifica protezione**.

In-between white and black, **grey** is considered the **perfectly neutral** colour, this is why it is associated with the meaning of **impartiality, balance, rationality**. It is a **modern** colour, greatly connected with the field of **design**, which calls to mind **the world of industry and of metals** and in particular, in its deeper shades, of **iron**. And it is precisely to the professionals who work with these materials, such as **blacksmiths**, that this Workincolors collection is dedicated to first of all, and that it includes **specific protection gloves and accessories**.

WORKIN
COLORS

08 VISIBILITY

Giallo e arancio fluo sono colori che **spiccano** e che è importante indossare quando è necessario **farsi notare** per motivi di **sicurezza**. Caratterizzano infatti questa collezione Workincolors, che raccoglie alcuni dei principali capi **alta visibilità** del catalogo Payper, con proposte **per ogni stagione**: un must have per gli **operatori stradali, per chi lavora all'aperto, in cantiere** e in tutte quelle condizioni in cui la **migliore protezione** è mettersi ben in vista.

Yellow and orange fluo are colours which **stand out** and which it is important to wear when needing to **be noticed** for **safety** reasons. In fact they are a feature of this Workincolors collection, which brings together some of the main **high-visibility** clothes from the Payper catalogue, with suggestions **for every season**: a must-have for **road operators, for those who work outdoors, in sites** and in all those conditions where **the best protection is to be highly visible**.
